

## A soft touch to complete your bed

The Visionnaire's choice upgrades any mattress category; feeling of weightlessness, adaptability and responsiveness.

**Blue Moon.** is a high resilience and hydrophilic foam, which provides great flexibility and the highest level of breathability.

**D-Stress,** fabric knitted with conductive threads to protect against static electricity shocks.

**Wool and cotton.** Designed with a warm and insulating side for Winter (wool) and another fresh and absorbent for Summer (cotton and hemp).
